

Val Verde Regional Medical Center Financial Assistance Policy Summary

Eligibility

Val Verde Regional Medical Center offers reduced or no charge services for all emergency or other medically necessary care for individuals eligible under our Financial Assistance Policy ("FAP"). Eligibility is based on the Hospital's Financial Assistance Policy which includes using the Federal Poverty Guidelines, number of dependents, and gross annual income along with supportive income documents. Additional means of determining eligibility may be utilized by the hospital if individual circumstance supports that a completed application is not practical

Income Guidelines

You may qualify for the hospital financial assistance program if the family's annual gross income is less than or equal to 300% of the federal poverty level based off the federal poverty guidelines. Eligible individuals will not be charged more than amounts generally billed. The Hospital will use the Prospective Method for determining the allowed amount to be applied to gross charges to determine the generally billed amount to be considered for financial assistance. The detail of this information is available upon request by calling the Financial Counselor at 830-778-3715.

Collection Procedures

Normal collection procedures will be followed for all patients unless the Hospital's Financial Assistance Application Form is completed and submitted to the Hospital. Patients with incomplete applications will receive written notification identifying the additional information and the final date information or payment must be received to prevent submission of account to an outside agency for collection. .
